PROGRAM: Acupuncture – Jeff Toury

Pam introduced local acupuncturist Jeff Toury who gave an interesting and informative presentation, as well as a demonstration on a couple of volunteers, about Eastern Asian medical techniques, including acupuncture, herbal medicine, diet and exercise. Acupuncture has origins in China, Japan and Korea that date back some 2000 years. It was introduced to this country during construction of the trans-continental railroad. Although remarkable different in theory and technique from Western medicine, it has gained wide acceptance outside of Asia.
