President Bliss introduced the District Governor for Rotary District 5470, Becky Smith. She gave an inspirational talk informing the membership about not only many things happening in the District that will assist the club, but also inspiring the club to do more. After outlining the challenges presented to Rotary by the social isolation necessitated by the Covid pandemic, she challenged the Club to reengage with the purpose of connecting with and serving the people of our community and the world at large. Using the metaphor of a Rubik's Cube, she emphasized that when life forces change upon us, by working together we can restore order.
