PROGRAM: Matt Heyn - Delta Health

Delta Health administrator Matt Heyn talked to Rotary members this week. He explained that Delta Health is more than a hospital with 9 clinics, 3 outpatient resources, home health and much more. As such, the DCMH moniker has been changed to Delta Health, reflecting more accurately who they are. Their mission is to inspire home by providing remarkable care in a healing environment. He also addressed some of the key issues confronting Delta Health, including the ongoing Covid 19 pandemic, which remains a serious concern.
