#### **PROGRAM: Kevin Parks - 66 Years of Living in Delta County**

Kevin, the longest standing member of North Fork Rotary, gave an overview of his family's history of over 100 years in the North Fork Valley - from grandparents to grandchildren, where they lived, what they did and how he fit into this sequence. In spite of his strong roots he ventured out into the world doing a variety of things but eventually returned to become involved in the insurance business and adsorb his dad's established agency.
