ANNOUNCEMENTS:

- We had 68% attendance at the meeting today.
- Football Pool: We had 3 players this week. Marsha won with a respectable 11 correct. Sarah took second place. This is the last pool for year as this was the final game of the regular season. The Football Pool netted about \$150 for the scholarship fund. All winners donated their winnings to the Club this year (as is usually the case)

PROGRAM: Natasha Léger - Citizens for a Healthy Community

This week Natasha Léger from Citizens for a Healthy Community gave Rotary members a report on global warming and its effect on Delta County Colorado. We learned that we are overheating at double the average rate for places around the world. Her group has been working on an assessment of greenhouse gas emissions and setting targets for reduction. CHC will be making a presentation to the Delta County Commissioners in early February.
