PROGRAM: John Seipel - "It's All Downhill from Here"

John Seipel took the Club members on a virtual ski tour of the 10th Mountain Divisions Trail and Hut system in the central Colorado mountains this week. The tour included some of the huts John had built during his past life as a builder. The skiers encountered halcyon days as well as raging blizzards, soggy river crossings and precipitous slopes - up and down. Then toasty warm evenings in the hospitable huts along the way.
